## WELCOME TO STUDIES IN LINGUISTICS DURING AUTUMN 2020!

This information is intended for students who have been admitted or admitted with condition to one or several courses in Linguistics for the autumn semester 2020.

### “Which course am I admitted to?”

You can see which course or what courses you have been admitted to on "My pages" at [www.antagning.se](http://www.antagning.se). An admission is valid on condition that you fulfil the eligibility requirements for the course when it starts. Questions regarding requirements? Please contact the study counsellor (see below).

### “Where and when?”

*Please note! Due to the current Corona virus situation, your introduction meeting will be either online or on campus, depending on course. As soon as the schedule for the autumn semester for a certain course is ready, that information will be available on the home page. Click your course link below to find out! For some courses, the information will not be available until later. Please check schedule once again short before semester start, as there might be a need of late changes!*

*To keep your place in the course: Please contact the course administrator [gunilla.ek\\_werner@sol.lu.se](mailto:gunilla.ek_werner@sol.lu.se) if you are unable to attend the first, mandatory meeting!*

**Registration:** It is very important that you register for the course in advance – the registration is open for one week before the course start date. For information, please see the column to the right.

**Course platform:** We use a course platform, [Canvas](https://canvas.lund.se/), and you need to activate your [Student account](#) to be able to log in. You also need to register for the course first to get access to Canvas! Read more in the column to the right.
